DEMOLITION / REMOVAL INFORMATION

Choose One: ☐ Demolish ☐ Remove	
Building Type	
Date to Begin	
Date of Completion	
Additional Information - Current location of building - Place to which it is being moved - Proposed route - Foreseeable concerns	

Any building removed or demolished from the Rural Municipality must have all current taxes and taxes in arrears paid before permit shall be issued.

Demolition Permit are valid for 90 days and Removal Permit are valid for 21 days, extensions are available upon request.

The Rural Municipality requires a fifteen hundred dollar (\$1,500.00) deposit for residential buildings which will be held in trust until after the building is removed or demolished in a manner that is not dangerous to the public safety, and provided that the site is put in a condition that is satisfactory to Council or the building official. This consists of the removal of all cement floors and walls of the basement, removal of all lumber and cement if the basement is a wooden structure; all materials to be hauled away, and the excavation to be filled with dirt and landscaped.

I _____ will contact the RM of Keys office once the work is completed.
