2026/2027 Season

I, _____ wish to receive snow removal services from the Rural Municipality of Keys No.303.
(Print)

1. Snow removal for private lanes will be performed subject to the availability of the grader operator and upon request by the resident or property owner.
2. By requesting snow removal services, the property owner acknowledges that the Rural Municipality shall not be held responsible for any damage that may occur while the grader operator is performing work on the property.
3. It is the landowner's responsibility to place a flag at the end of the lane to clearly identify the location for snow removal services. This helps ensure the grader operator identifies the correct property.

5. Snow removal will be invoiced and mailed at the end of the season.
