APPLICANT DECLARATION:

I, _____ of _____, SK, on this ____ day of _____, 20___ hereby authorize the RM of Keys No 303 to do custom work requested above on my behalf for the _____ year. The RM has requested information from me as to any property concealed because of snow, grass or any buried cables or pipelines (including all underground installations and survey monuments) and in consideration of the RM carrying out work for myself, I agree to indemnify the Municipality of any and all consequential damages because of property concealed by snow, grass or buried cables or pipelines that have not been identified to the municipality's machine operator. I further understand that the work will only be performed when equipment is in the area and when time permits. The Operator has the right of refusal to any project they feel cannot be completed efficiently or without harm. I agree to pay the RM of Keys No 303 for the custom work requested at the rates set by Council. In the event that the invoices for completed custom work remain unpaid at year end, I understand that the unpaid charges will be added to and form part of my property taxes (Section 405 of The Municipalities Act). The Municipality may refuse services for delinquent accounts.
