Dust Control Contract of Understanding, 2024

I, _____ (Print) have read and understand the guidelines and rules of the Municipal Dust Control Program.

The municipality will NO LONGER be paying a portion of the dust control product.

1. Dust Control Sites will be graded and cared for as the road is a municipal asset. The staff will try their best to only grade the site when it is wet with heavy dew or rain, but this is not always an option and occasional dry grading is required.
2. Dust Suppressant is applied under Municipal guidelines and the product is approved by Council of the Rural Municipality of Keys No 303. No other suppressant shall be used or applied over the site.
3. Flags are to be used for Dust control and will be put out the week prior to delivery and removed immediately after application.
4. It is the owner's responsibility to place and remove flags and will be billed according to what was applied.
5. Unpaid amounts will be added to taxes as of December 31st.
6. Dust Control costs are as follows:

Dust Control	
3-meter pass	\$0.65 per linear foot
4.5-meter pass	\$0.90 per linear foot
6-meter pass	\$1.25 per linear foot
The width is based on the Road Width, not the option of the customer.	

Dust control is subject to the PST, the additional tax shall be added to the cost of the dust control

Estimated Feet of product: _____ [] Check if approximately same as last year

Legal Location of application: _____

I, the undersigned, have read and understand the terms of the Dust Control Program.
